Our Beef Burgers contain a percentage of lentils & mushrooms in an effort to reduce our impact on the planet, please ask staff if you would like to know more.

For a healthier option we can serve our burgers without the bun & the fish grilled, please ask your server. Fish dishes may contain bones. The EHO recommends burgers be cooked to a minimum 75°C. If you have a food allergy, intolerance or sensitivity, please speak to a member of staff about the ingredients in our dishes before you order your meal. Prices shown exclude a discretionary 10% service charge.

We are proud members of The Sustainable Restaurant Association
